

WINTER 2019 NEWSLETTER

NEW YEAR, NEW LOGO

The Board has worked for months to design a new logo for the Belle Haven Women's Club, one that identifies our neighborhood club as modern and community-focused. What better time than to unveil it than the beginning of a fun, busy 2019!! You're seeing it first here on our letterhead. We can't wait to include it on our website and paper products!

Garden Club

The Belle Haven Garden Club kicks off spring with our annual **White Elephant Swap** at 10:00 am, **Tuesday, March 19** at Susan Golightly's home. This event is a great opportunity to share garden and household items that you once cherished but would like to pass on – and a great chance to find something new to love. It is a round-robin swap, and we swap till we drop!

Again, this year, the Garden Club will take a **field trip during Virginia Historic Garden Week** (April 27 – May 4). We will tour Park Avenue in **Richmond's Fan District on Wednesday, May 1**. The Fan District is the largest Victorian residential neighborhood in the country, consisting of middle- to late-19th and 20th century homes. The homes and gardens are open from 10:00 am to 4:00 pm. We will make time for lunch during the tour.

We will offer two more exciting field trips in June. Details will be highlighted in the spring newsletter. All Garden Club activities and information on gardening in the area can be found at www.bellehavengardenclub.com.

Community Outreach

The Community Outreach section of the BHWC held their festive Holiday luncheon in December. Warm friendships and delicious food were enjoyed by all who attended.

Our February 12 meeting will be held at the home of Maria Moux at 10:00 am.

At the St. Patrick's Day Parade on March 9, we will collect nonperishable food for UCM and diapers for the Campagna Center. We want to thank the entire neighborhood in advance for generously supporting this endeavor through the years.

Cultural Events

Join BHWC on Tuesday, February 26, from 10:30 a.m. – 12:00 p.m. for a private tour of the French galleries at the National Gallery of Art. Our very own Jennifer Jacobs, an NGA docent with more than 20 years of museum experience, will lead the tour.

The tour will highlight portraits and landscapes. A strong focus of our time will be spent studying paintings of the 17th and 18th centuries, including the Rococo and Impressionist periods.

Featured artists will include:

- Jean-Honore Fragonard
- Jean-Baptiste-Camille Corot
- Gustave Courbet
- Claude Monet
- Auguste Renoir
- Edouard Manet
- Edgar Degas
- Camille Pissarro
- Paul Cézanne

Space is limited to 30 guests. Please respond to Alison Christmas (alisonchristmas@icloud.com) to reserve your spot. Once confirmed, logistical details will be shared. For more information on the Gallery, visit www.nga.gov.
